Past Event Report

About Past Event:

Scientex Conference successfully hosted its third series on the “3rd International Conference on Global Healthcare and Nutrition” at City Seasons Suites Hotel, 8th St - Port Saeed - Dubai - United Arab Emirates during November 13-14, 2023 and “3rd International Webinar on Global Healthcare and Nutrition” on November 20-21, 2023 as per the time zone GMT+4. The conference was organized with a theme focused on “Revolutionizing the Future Strategies for Healthcare Research” and it was a great success where eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the Organizing Committee Members played a major role in the success of Global Healthcare 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Global Healthcare 2023 Organizing Committee would like to thank the keynote speakers, plenary speakers, delegates and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Asma Nassar Arabi, King Saud bin Abdulaziz University for Health Sciences, KSA and Tawfiq Nezha, Hassan II University, Morocco and the moderator of the webinar Natasha Dudiki, Indiana University Health Ball Memorial Hospital, USA and Fitriani Kahar, Poltekkes Kemenekes Semarang, Indonesia who contributed a lot for the smooth functioning of this event.
