

International Webinar on

GLOBAL HEALTHCARE AND NUTRITION

Theme: Exceeding the Vision of Healthcare

February 10-11, 2022*
GMT+1

INVITATION

Dear Congress Attendees,

It is a pleasure to extend to you words of welcome to the **International Webinar on Global Healthcare and Nutrition on February 10 - 11, 2022 at GMT+1.**

We are very proud to promote the dissemination of scientific knowledge and strengthening the friendship among the professionals working in the complex and challenging field of Healthcare. Global Healthcare 2022 has been outlined and implemented in congruence with the accreditation requirements and policies of the Committee. It is a platform to explore knowledge, share ideas, exchange views and generate solutions.

The Global Healthcare congress will emphasize on building top-notch keynote lectures, speaker sessions, workshops, and young researcher's forum that flags high tech progresses at the global level. Subsequently, there will be symposia, case discussions and exhibitions demonstrating new theories and practise in Healthcare field and its subspecialties.

We are passionately working to ensure this meeting be a grand success and a memorable to the participants. We look forward to seeing you all in Global Healthcare 2022 and hopefully to enjoy the hospitality of the France.

**Yours Sincerely,
Global Healthcare 2022
Organizing Committee**

Conference Highlights

1. **Health Care Delivery Integration**
2. **Medicaid & Health Policy**
3. **Behavioral Health Care**
4. **Innovation & Investments in Global Healthcare**
5. **Workplace Mental Health**
6. **Direct Contracting**
7. **Social determinants of health (SDOH)**
8. **Women Leaders in Health Care**
9. **Public Healthcare**
10. **Primary Healthcare**
11. **Nutrition and Endocrinology Healthcare**
12. **Global Healthcare Management**
13. **Healthcare and Pediatrics**
14. **Preventive Medicine and Community Health**
15. **Healthcare and Internal Medicine**
16. **Nutraceuticals and Nutrition Supplements**
17. **Nutritional Biochemistry and physiological**
18. **Nutrition, Health and Aging**
19. **Nutritional Deficiencies and Disorders**
20. **Food Science Research and Nutrition Education**
21. **Probiotic and Prebiotic Nutrition**
22. **Dietetics and Malnutrition**
23. **COVID-19 and Role of Nutrition**

Event at a Glance

International Webinar on Global Healthcare and Nutrition February 10-11, 2022, Time Zone (GMT+1) in Paris - France

Day 01 (February 10, 2022)

10:00-10:20	Title: Expression profiles and coexpression network analyses of long noncoding RNAs in brown adipose tissue of obesity-prone and obesityresistant mice fed a high-fat die
	Congcong Wang , Zhejiang University, China (05:00 PM)
10:20-10:40	Title: Can dental caries be an independent predictor of sarcopenia and its diagnostic factors?
	Yang Yang , Zhejiang University, China (05:20 PM)
